

NANDHINI TRIVEDI

INDUSTRIAL DESIGNER

[Portfolio](#) | [LinkedIn](#) | [Behance](#) | nandhinitrivedi@gmail.com | +91 95132 15858

Motivated B.Des Industrial Design student at PES University specializing in user-centric product development and rapid prototyping. Driven by a passion for clean, minimalist aesthetics and rigorous market research. Eager to leverage academic excellence and hands-on design experience to build functional, sustainable hardware and lifestyle products that seamlessly elevate the everyday human experience.

AREA OF EXPERTISE

Design Process: User Research, Persona Design, Journey Mapping, Storyboarding, Prototyping, Interaction Design, Competitive Analysis

Software: Adobe Illustrator, Procreate, Figma, Adobe Photoshop, Fusion, AutoDesk Alias

Industrial Design: Rapid Prototyping, Model Making, Product Ideation, Material Exploration, Ergonomics

EDUCATION

Bachelors of Design

2023 - Present

PES University, Bengaluru

- Specialisation in Industrial design.

High School

2021 - 2023

Jain College, Bengaluru

- High school diploma in Commerce - State board

PROFESSIONAL EXPERIENCE / PROJECTS

Design Intern, Euro Kids

May 2025 - Aug 2025

- Owned the conceptualisation and execution of physical marketing assets from zero-to-one, applying product design methodologies to physical branding.
- Synthesised core educational values into a cohesive visual system, producing high-fidelity, scalable vector assets tailored for large-format print constraints.

Espresso Maker

2025

- Engineered a manual espresso maker with a sustainable A-frame architecture, managing the full development cycle from initial CAD to a highly manufacturable physical prototype.

Makeup Organizer

2026

- Designed a modular, cylindrical makeup organizer with a spiral zipper system, eliminating product spills and replacing the unorganized "bottomless pit" pouch with a user-centric, on-the-go solution.

Silk for GenZ

2026

- A strategic textile intervention that repositions traditional Indian silk for Gen Z consumers by transitioning from heavy, occasion-bound garments to versatile, block-printed everyday wear. The project merges cultural craftsmanship with sustainable design, utilizing minimal-waste material practices.

ADDITIONAL INFORMATION

- Languages:** English, Hindi, Kannada.
- Activities:** Event Organiser: Atmatrisha ('24-'25) | Samarpana Marathon ('25) | Chords ('24) | PES Design Santhe ('25)
- Awards & Honors:** CNR Scholarship (9.0 GPA) & 3x Distinction Certificates (Semesters 1, 3, 5).
